Enjoy rugby like no other because "it brings together a group of people from different backgrounds, possessing different personalities all with different ideas, varying degrees of skills and capabilities trying to achieve a common goal..."

Southern Cross Deaf Rugby Union holds an annual Development Weekend Camp which includes a friendly match with various local rugby union clubs in Australia. We also hold two metropolis (Sydney and Brisbane) Deaf

Sevens rugby matches a year and the purpose of these games is that we can get to know and meet more Deaf and Hard of Hearing players/people in our Australia Deaf rugby union community.

Southern Cross Deaf Rugby Union focuses on expanding our Deaf rugby community across Australia by increasing and promoting our profile during the Development Weekend Camp. Prior to the annual game, some of our players visit a local school where the Deaf students are and other communities. Educational visits at schools and communities increases our profile which assists us with expanding our strengths and continues with our goals.

Southern Cross Deaf Rugby Union aims to bring the Deaf and rugby communities together. Southern Cross Deaf Rugby Union frequently utilises 'SmartRugby' course from Australia Rugby Union's inclusion programs.

It is a valuable course which looks to make rugby accessible to all Australians, to provide training in safety aspects regarding contact in Rugby Union. It is great opportunity for unifying Deaf and rugby communities together.

If you are registered with your local rugby union clubs, then you are eligible to play with Southern Cross Deaf Rugby Union. New and interested players are more than welcome to join our national social Deaf rugby union team ~ Southern Cross Deaf Rugby Union.

Southern Cross Deaf Rugby Union Inc is a Deaf rugby union association for all Deaf and Hard of Hearing players/people in Australia. This is to develop our Deaf rugby union community at the grassroots level and we have

completed international proposal matches against Fiji Deaf Rugby Union in 2009.

We have an exciting development happening in January 2012.

Southern Cross Deaf Rugby Union is participating in Australia's Deaf Games for the first time ever and this will consist of three states' Sevens Deaf rugby NSW, QLD and a new VIC team.
